

We empower our clients to optimize their businesses and their employees with leadership skills to foster an inclusive and healthy workplace.

ABOUT US

Unitive Consulting specializes in bringing unique expertise in the fields of Human Relationships, Change Management, Conflict Management, Organizational Effectiveness, Executive Coaching, Mediation, and other related subjects.

Unitive Consulting works with governmental agencies, corporations, and nonprofit organizations as an agent of change for organizational and employees' success. We bring our harmonious resolutions and restore productivity to the workplace, with a spirit of collaboration and inclusion. We are invested to serve our clients with speed, professionalism, confidentiality, and finesse. We empower our clients to upgrade their businesses and organizations with sustainable leadership and people's skills to foster an inclusive dialogue in the workplace.

HOW WE HELP OUR CLIENTS

It is vital that conflict be precisely identified to resolve it. Unitive Consulting begins every assignment with an assessment of these three domains:

- **Performance needs**
- **Cultural needs**
- **Learning needs**

Once issues are identified, Unitive Consulting recommends and implements one or more of our services

- **Fractional Ombudsperson**
- **Change Management**
- **Executive & Conflict Coaching**
- **Keynote speaker**
- **Conflict Resolution**
- **Mediation**
- **Trainings**
